# 15 kitchen gadgets you never knew you needed

FEB 15, 2016 in [FOOD & BOOZE](#), [LIFESTYLE](#)

2 OF 16 

## **Berry Breeze** (\$50, [BerryBreeze.com](#))

*A small, battery-operated machine that lives in your refrigerator and extends the life of fresh produce and leftovers. It emits a consistent level of activated oxygen to neutralize bacteria by inhibiting ethylene gas that triggers decay. Plus, it deodorizes the fridge as it works. Win-win, right?!*
